## VACANCY NOTICE MUNICIPALITIES (KERR COUNTY) AND COUNTIES (EDWARDS COUNTY)

Please be advised that the Plateau Water Planning Group (PWPG), Region "J" is currently seeking nominations to fill two (2) vacancies on the Regional Planning Group. These vacancies represent Municipalities (Kerr County) and Counties (Edwards County). The PWPG and Texas Water Development Board (TWDB) believe it is important to maintain balanced geographic representation on the PWPG. Therefore, please note that the referenced "Municipalities" interest represents Kerr County and the "Counties" interest represents Edwards County.

The Plateau Water Planning Group is a voluntary organization and no funds are available for reimbursement of expenses associated with service to or participation in the planning group. Successful nominees must represent the vacant interest ("Municipalities" and "Counties") for which the member is sought, be willing to actively participate in the regional water planning process and abide by the PWPG By-Laws. Written nominations must be filed with the Plateau Water Planning Group at the address listed below no later than November 1, 2024.

Submit written nominations to:
