

UGRA WATER RESOURCES PRESERVATION GRANT

Application Timeline

1

PRE APPLICATION MEETING

Contact UGRA and request a preapplication meeting to discuss your project. Be prepared to share an overview of your proposed project, why you want to include the stormwater treatment structures, and a site map/visual.

2

ASSEMBLE APPLICATION MATERIALS

3

SUBMIT APPLICATION TO UGRA

UGRA staff will review application and provide a response regarding completeness of application within two weeks.

4

COMPLETE APPLICATION IS REVIEWED BY UGRA WATERSHED STEWARDSHIP COMMITTEE

Will occur within 30 days of receipt of completed application. If committee recommends project for funding, a contract will be submitted to applicant for review.

5

GRANT AWARD DECISION

UGRA Board considers contract to fund project. Will occur within 90 days of receipt of completed application. Applicant will be notified, and contract will be executed within 2 weeks of Board decision.

6

CONSTRUCTION OF STORMWATER BMPS

A UGRA representative will make at least one site visit during construction and one to verify that construction is complete.

7

SUBMIT INVOICES FOR DESIGN AND CONSTRUCTION OF BMPS

Once a UGRA representative has verified that construction is complete and the BMP is operating properly, invoices detailing the cost of design and construction can be submitted to UGRA.

8

GRANTEE RECEIVES REBATE PAYMENT

Will occur within 30 days of receipt of invoices. Rebate payment will be made to applicant only.
